## ROOSEVELT TELLS LOEB TO GO AHEAD

"Tell Them All You Know," Says  
Bull Moose to Once Pri-  
vate Secretary.

CONGRESS IS TO DIG DEEP

Arranges Before Adjournment  
for Committee to Take  
Testimony.

(By Federal Telegraph Wireless.)  
OYSTER BAY, August 26.—(Special  
to The Advertiser)—What Colonel  
Roosevelt saw and did in the matter of  
John D. Archbold agent the \$100,000  
contribution to the Republican cam-  
paign fund in 1904, what President  
Roosevelt said to the late H. E. Harri-  
man and what Mr. Harriman said to  
Mr. Roosevelt about Harriman's \$250,-  
000 contribution, are matters to which  
William Loeb, formerly Mr. Roosevelt's  
private secretary, is prepared to testify  
before the senate committee investigat-  
ing campaign contributions.

Colonel Roosevelt said last evening:  
"Mr. Loeb told me last night that he  
had seen a statement that he was to be  
brought down before the committee. He  
wished to come and confer about these  
rumors and I told him that if he was  
called he was to go, of course, and tes-  
tify to everything."

Congress Will Dig Deep.

(By Federal Telegraph Wireless.)  
WASHINGTON, August 26.—(Spec-  
ial to The Advertiser)—The two houses  
of congress adjourned today. The Pen-  
rose resolution to extend an inquiry of  
the Clapp committee into an investiga-  
tion of the Standard Oil campaign con-  
tributions from 1904 was passed with-  
out a rollcall.

This is the measure for which Senator  
La Follette filibustered over two days  
and kept the upper-house shifting un-  
easily long after its scheduled adjourn-  
ment. The Clapp committee by the  
terms of the resolution was instructed  
to inquire into every phase of the cor-  
respondence and financial transactions  
between John D. Archbold, George W.  
Perkins, Col. Theodore Roosevelt and  
any members of congress.

## DARROW'S SECOND TRIAL TO GO ON

(By Federal Telegraph Wireless.)  
LOS ANGELES, August 26.—(Spec-  
ial to The Advertiser)—The motion  
of Clarence Darrow's attorney to dis-  
miss the indictment charging the for-  
mer counsel of the McNamara's with  
the bribery of Robert Bain, the first  
juror chosen to try the dynamiter, was  
denied today by Presiding Judge Wil-  
lis. The case was continued until to-  
morrow, when the date of Darrow's  
trial on the same charge will be set.

## DEATH ENDS THE TERM OF COL. WILSON

(Mail Special to The Advertiser.)  
ATLANTA, Georgia, August 26.—  
(Special to The Advertiser)—Col. C. C.  
Wilson, aged sixty-seven, former pre-  
sident of the United Wireless Company,  
died late last night at the United States  
penitentiary here, where he was serv-  
ing a three-years' sentence for using  
the mails in an attempt to defraud.  
Uremic poisoning was given as the  
cause of the colonel's death.  
Colonel Wilson was stricken while  
waiting in the prison library last night.  
Prison officials say that he had been in  
good health up to yesterday. The col-  
onel's young wife, to whom he was  
married just before he was convicted  
more than a year ago, had been notified.  
Colonel Wilson was sentenced on Au-  
gust 23, 1911.

## BRITAIN WILL APPEAL CASE TO THE HAGUE

LONDON, August 26.—(Associated  
Press Cable)—The newspapers of all  
shades of political opinion unite in  
condemning the Panama Canal toll bill  
as it passed congress. They declare  
that it is in direct contravention of the  
Hay-Pauncefote treaty, violates treaty  
rights in British ships, and cannot be  
sustained. It is said that an appeal to  
The Hague tribunal is certain.

WILL SEE ALL THE  
WESTERN GARRISONS.

SECRETARY OF WAR STIMSON.

## SECRETARY STIMSON TO INSPECT POSTS

(By Federal Telegraph Wireless.)  
WASHINGTON, August 26.—(Spec-  
ial to The Advertiser)—Secretary of  
War Stimson is leaving Washington to  
make a tour of inspection of the west-  
ern army posts. He will go by way of  
New York, being accompanied by Mrs.  
Stimson and by Brigadier-General  
Crozier.

The party will stop first at Fort Ben  
Johnson and then proceed via Chicago  
to Fort Russell. Thence to the Presi-  
dio, San Francisco. The trip will last  
for a month.

## MAJOR RAY NOT LIKED IN SENATE

Presidential Promotion Turned  
Down by Senate Before  
Adjournment.

WASHINGTON, August 27.—(By  
Associated Press Cable)—The senate  
has refused to confirm a large number  
of the important appointments sent to  
it by the President, including the ap-  
pointment of Major Beecher B. Ray,  
paymaster, whom the President named  
for promotion to a deputy paymaster  
generalship.

Charges of immorality and of active  
political partisanship have been made  
against Major Ray, some of the corre-  
spondence submitted in evidence hav-  
ing to do with the misconduct of the  
paymaster with the wife of a subordi-  
nate employee in his office in Honolulu  
and San Francisco.

## THOUSANDS SAW THE CALIFORNIAN A WINNER

(By Federal Telegraph Wireless.)  
NEWPORT, Rhode Island, August 26.

teen accused aldermen, arrested Satur-  
day on charges of conspiracy to ac-  
cept bribes, were arraigned here today  
and their hearings set for Septem-  
ber 14.

## PHYSICIAN-PRIEST ABOUT TO START ON MOLOKAI MISSION ---HOPES TO HELP FIND A CURE

(By Federal Telegraph Wireless.)  
CAMBRIDGE, Massachusetts, August 26.—(Special to Advertiser)—  
Rev. Charles Kelker, priest, in the prime of his life is preparing to  
leave for Honolulu about November 1, to spend the rest of his days  
among the lepers of Molokai. He graduated with great distinction from  
the American Medical College at St. Louis and took a special postgrad-  
uate course in Harvard.  
He is specializing in leprosy in the hope of discovering a cure for  
the disease.

## MONEY VOTED AND AVAILABLE FOR THE PEARL HARBOR DRYDOCK-EXTENSION

A cable received yesterday by Ad-  
miral Cowles from Washington, brings  
the cheering news that the Navy  
Appropriation Bill as passed car-  
ries the \$600,000 item for the exten-  
sion of the Pearl Harbor drydock. Ad-  
miral Cowles stated yesterday that  
work would be commenced at once on  
the 200-foot extension, which is to be  
added on the harbor end of the pre-  
sent 800-foot excavation.  
Having just returned from a trip of  
inspection to Pearl Harbor, Admiral  
Cowles states that work is progressing  
rapidly on the big drydock and that  
the pouring of concrete would recom-  
mence this week. "The marine of-  
ficer's quarters are nearing completion  
and the work in general is very satis-  
factory," states the admiral.

## GOVERNOR ASKS INVESTIGATION OF SENATORS AND CHARGES OF BRIBERY

West Virginia's Democracy Is  
Attacked by the State's  
Republicans.

(By Federal Telegraph Wireless.)  
WASHINGTON, August 26.—(Special  
to The Advertiser)—A demand for an  
investigation of the election of Senators  
William E. Chilton and Clarence W.  
Watson of West Virginia, both Dem-  
ocrats, was made in a petition signed  
by Governor Glasscock, Republican, and  
others, which was presented today to  
the senate through Senator Ballinger.  
The petition called attention to the  
charge of bribery publicly made in re-  
ference to the election of the two West  
Virginia senators.

Governor Glasscock of West Virginia.

## GUNBOAT VICKSBURG PUNCTURES HER HULL

Cruiser Cleveland Will Tow Her  
to Mare Island Navy Yard  
for Repairs.

(By Federal Telegraph Wireless.)  
WASHINGTON, August 26.—(Spec-  
ial to The Advertiser)—The gunboat  
Vicksburg while scouting on the west  
coast of Mexico to capture revolution-  
ists, has put into Magdalena Bay with  
a hole punched in her hull by a broken  
propeller. The cruiser Cleveland, or-  
dered to Nicaragua, will bring the Vic-  
ksburg to Mare Island navy yard.

## IMPERATOR, FASTEST AS WELL AS BIGGEST

(By Federal Telegraph Wireless.)  
BERLIN, August 26.—(Special to  
The Advertiser)—It is announced that  
the Emperor, the new gigantic Ham-  
burg-American liner, which will be  
completed next spring, will be not only  
the largest, but the fastest steamer in  
the world. Launched immediately af-  
ter the Titanic disaster, little was said  
about her speed, but now it is declared  
that the Emperor will have a speed of  
twenty-seven miles an hour and that she  
will go after the blue ribbon now held  
by the Canarder Mauretania.

## FIRE BULLET AT A HACK DRIVER AND MADE BULLSEYE AT POLICE STATION

The next time that J. Kamewa takes  
a pot shot at a hack driver it is prob-  
able that he will be more careful not  
to hit the police station. Whatever  
grudge he may nurse against this Ho-  
nolulu police station he is likely to fore-  
go the delight of making a bullseye  
when aiming in that direction.  
Last night he hired a hack driven by  
Y. Haruna to take him to the water-  
front, down near the Inter-Island wharf.  
When he arrived at his destination Har-  
una asked for his fare. This was  
where Haruna made a mistake and came  
near paying a fare for a much longer  
trip than to the waterfront.  
Claiming to be greatly insulted by  
the request, according to the Japanese,  
Kamewa drew a revolver and pointing  
it in the general direction of Haruna  
and the police station, fired. The bul-  
let, say the police, hit the stationhouse  
and woke up the guardians of the peace,  
so that when they received word of the  
stomped shooting it was only a few  
minutes before Kamewa was lodged  
within its precincts to answer to a  
charge of assault with a deadly weapon  
—deadly to some places in the police  
station.

NO MORE POLITICS FOR  
HIM AT PRESENT.

SUPERVISOR H. E. MURRAY.

## MONGOLIA WILL DOCK AT NINE

The Kahuku wireless station was in  
touch with three liners last night, the  
Mongolia, on her way from the Orient;  
the Manchuria, on her way from San  
Francisco, and the Sierra, outward  
bound for the Coast. The Mongolia re-  
ported herself at eight o'clock as 192  
miles off port, announcing that she  
would dock here at nine o'clock this  
morning. All was well aboard. The  
Manchuria at eight was 1167 miles out  
from San Francisco, with all going well  
with passengers, crew and ship.

## COOPER SPYING OUT KAU LAND

With Week's Provisions He Is  
Traveling Over Ranch—  
Option in Pocket.

Negotiations are reported to be pend-  
ing between Judge Henry E. Cooper of  
the local circuit court and Senator  
George C. Hewitt, of Waiohine, Hawaii,  
for the purchase by the former of the  
great ranch of approximately 170,000  
acres known as the old Norris ranch,  
about which there hangs a halo of ro-  
mance and law.

Judge Cooper has been on the Big  
Island for some time for the purpose  
of making a careful inspection of the  
property and is reported to have dis-  
appeared into the wilderness of Kau  
with a guide and provisions for a week,  
during which time he will follow the  
boundaries and trails and take a gen-  
eral survey of the land.

Just what the project which Judge  
Cooper has in view has not as yet been  
made public, but friends in this city as-  
serted yesterday that Judge Cooper  
has an option on the property. He is  
expected back from his trip today, un-  
doubtedly with his mind made up one  
way or the other after a conference  
with Senator Hewitt, who is adminis-  
trator of the estate.

But just how the sale can take place  
at this time is a puzzle for it is being  
sueed in court by Madam Emilie d'Her-  
blay for \$64,000 on two promissory post  
mortem notes, given the lady more than  
ten years ago in New York by old Col.  
Samuel Norris.

It was the presentation of these notes  
for payment after the death of Colonel  
Norris in 1910, that hinted at a romance  
in the long ago, but whatever there was  
of this kind in the life of the eccentric  
colonel was quickly buried in the musty  
legal proceedings which have since then  
dragged their weary length through the  
preliminaries of court.

It was on July 1, 1910, a short time  
before his death, that a deed was filed  
in the recorder's office in Honolulu by  
which Colonel Norris made over to  
Charles Gardner Macomber, a neighbor,  
his entire land holdings in Hawaii for  
the nominal sum of \$1. The news of  
this transaction came as a shock to his  
friends, but this was as nothing to the  
shock which followed the filing of the  
sensational suit by Madame d'Herblay.

## TREASURER OF BREWER & CO. IS DEAD.

W. W. North, for many years treas-  
urer of C. Brewer & Co., died at his  
home on Green street shortly before  
two o'clock this morning. Mr. North  
has been ailing for some years and his  
death was not unexpected. No funeral  
arrangements have been made as yet,  
but it is probable that the ceremony  
will be private. Mr. North was fifty-  
five years old.

The Rev. Frank Goodspeed will make  
of Labor Sunday a special occasion to  
be celebrated in the Bijou Theater,  
and the Christian extension committee  
extends a special invitation to the  
workingsmen of the city to be present  
and take part in the celebration.

## MURRAY DROPS OUT OF THE RACE

Will Not Be Candidate Again  
for Supervisor—Says At-  
tack Is Vicious.

"INNER CIRCLE" IS OPPOSED

Democrats Applaud McCandless'  
"Confession of Faith" and  
Are Cheered Up.

Supervisor Harry Murray, yielding  
to the inevitable and forestalling what  
ever action the coming Republican  
county convention might take, has  
definitely decided to withdraw from the  
race for a renomination and a re-  
election. Last night, the following let-  
ter was handed to The Advertiser by  
Mr. Murray personally, with the re-  
quest that it be given publicity:

"Honolulu, T. H., August 26, 1912.  
"To the Electorate of the City and  
County of Honolulu and more espe-  
cially the Voters of the Republican  
Party.

"I am not now, nor will I become a  
candidate at the approaching election  
for any office.

"This announcement is made large-  
ly for the protection of my political  
and personal friends who are being  
harassed by the small element lately  
assuming dictation to the body of the  
Republican party.

"Within the past few days there has  
been a most insistent and vicious de-  
tailed attack upon men who were like-  
ly to be members of the county con-  
vention and who were favorable to my  
renomination. Those who have con-  
fidence in me would be in the majority  
in that body and should I desire I  
could again go before the people and  
campaign to victory. But the wrath  
of the coterie of the 'inner circle'  
would descend upon my supporters,  
with serious consequences to many of  
them.

"Until December 31, 1912, I shall  
continue to be a member of the board  
of supervisors of the city and county  
of Honolulu. During this brief period  
I shall strive to add to the record of  
economical and progressive accomplish-  
ment begun January, 1911. I have  
striven sincerely and fairly to do  
things for the betterment of Honolulu  
and her people. If I have created op-  
position and envy I have done so in a  
good cause.

"I thank most sincerely my many  
loyal friends for their support and  
sound advice, for cooperation in the  
upbuilding of the town in which I have  
spent nearly all the years of my life  
and for which, as a private citizen, I  
shall always be willing to humbly give  
the best that is in me. Sincerely,  
"H. E. MURRAY."

The First of Several.  
This letter is expected to be the first  
of several, which will clear the politi-  
cal air so far as the Republican mun-  
icipal situation is concerned. The same  
inducements that impelled Supervisor  
Murray to cancel his political engage-  
ments after the first of January next  
will probably appeal to Messrs. Kruger,  
Amana and Low, none of whom have  
been any better in the positions they  
hold than Murray has been, although  
the latter has been made the scape-  
goat.

The main political developments yester-  
day, besides the withdrawal of  
Murray and the fear of the wrath to  
come that has developed among his  
confessors, is the announcement that  
Sam Johnson has practically decided  
that he will be a candidate for a su-  
perintendency and that Wallace R. Farring-  
ton has practically decided that he  
will not. The ripple of enthusiasm that  
ran to follow the latter's little  
hints of his own availability was so  
noticeable that the tip was taken in  
time to save trouble.

Democratic Activities.  
Considerable activity was manifest-  
ed in Democratic quarters yesterday,  
following the publication in The Ad-  
vertiser of the statement by L. L. Mc-  
Candless, Democratic candidate for  
Delegate to Congress, of what his po-  
licies will be if elected. There was a  
general feeling that this statement had  
cleared the political atmosphere, so far  
as McCandless is concerned, and that  
the voters can appreciate at least just  
what his stand is on matters of the  
most interest to the Territory.

At the Democratic headquarters  
there was a session of the platform  
committee of the county central com-  
mittee during which the discussion of  
the planks to be placed down to fit  
were discussed. This central com-  
mittee, to which the planks will be re-  
ferred, will meet next Saturday eve-  
ning, at which time it is also probable  
that the date of the county conven-  
tion will be set.

There were rumors last evening that  
the Pringle-Quinn controversy in the  
first precinct of the fourth district had  
been tramped out by the special com-  
mittee appointed by the territorial  
Democratic central committee to take  
cognizance of this bitter fight. Quinn  
defied the committee and the story is  
that the committee is not so cocksure  
that it has any standing in court.

Anyway, the entire matter will be  
thrashed out tomorrow evening when  
the territorial committee holds its  
meeting in Democratic headquarters, at  
which it is expected that there will  
be "things doing."
